

Limited assurance report of the independent B-BBEE approved registered auditor

To the Directors of Kagiso Media (Pty) Ltd:

We have completed our limited assurance engagement on the B-BBEE Status as at 07 October 2016, as set out on page 1 of the Broad-Based Black Economic Empowerment (“B-BBEE”) Verification Certificate GEN/B-BBEE/2016/10/006 of Kagiso Media (Pty) Ltd, and the Scorecard as set out on pages 2 to 4 of the Certificate. We clarify that our engagement is on the basis of information provided by management.

Directors’ responsibility:

The Directors are responsible for the preparation of the Scorecard and determining the B-BBEE status in accordance with the Codes of Good Practice, Information and Communication Technology (ICT) Sector Code: For Black Economic Empowerment gazetted on 6 June 2012 in terms of the Broad-Based Black Economic Empowerment Act of South Africa (“the B-BBEE Act”). The Directors are also responsible for such internal control as management determines is necessary to enable the preparation of information and the B-BBEE Scorecard that is free from material misstatement, whether due to fraud or error.

B-BBEE Approved registered auditor’s responsibility:

Our responsibility is to express a limited assurance conclusion on the B-BBEE Status reflected in the Certificate based on the procedures we have performed. We conducted our limited assurance engagement in accordance with the *South African Standard on Assurance Engagements (SASAE) 3502: Assurance Engagements on Broad Based Black Economic Empowerment (B-BBEE) Verification Certificates*. This standard requires us to comply with ethical requirements and to plan and perform this engagement to obtain limited assurance about whether the Certificate is free from material misstatement.

A limited assurance engagement with respect to a B-BBEE Verification Certificate involves performing procedures regarding the Scorecard and B-BBEE Status of the measured entity based on the criteria and requirements contained in the Codes of Good Practice. The procedures performed depend on the assurance provider’s judgement, the nature of those procedures is different from and the extent is substantially less than in a reasonable assurance engagement, and consequently they do not enable us to obtain the assurance necessary to become aware of all significant matters that might be identified in a reasonable assurance engagement.

We believe that the evidence we have obtained in our limited assurance engagement is sufficient and appropriate to provide a basis for our conclusion.

Summary of work performed:

Our work performed included:

- Obtaining an understanding of the entity and its environment and the underlying records sufficient to identify areas in the Scorecard where material misstatements are likely to arise, and to be able to design procedures to address those areas;
- Inquiring of management and employees responsible for the preparation of the B-BBEE compliance information;
- Performing such additional procedures as we considered necessary;
- Re-performing calculations to determine whether the scores reflected in the Scorecard have been classified and determined in all material respects in accordance with the Codes of Good Practice.

Limited assurance conclusion:

Based on our procedures performed, nothing has come to our attention that causes us to believe that the B-BBEE Status reflected in the Certificate has not been determined, in all material respects, in accordance with the Codes of Good Practice, Information and Communication Technology (ICT) Sector Code gazetted on 6 June 2012 in terms of the B-BBEE Act.

Restriction on liability

Our engagement has been undertaken so that we are able to report to Kagiso Media (Pty) Ltd in accordance with the terms of our engagement. We do not accept or assume responsibility to anyone other than Kagiso Media (Pty) Ltd, for our work, for this report, or for the conclusion we have reached.
